AFTER SCHOOL BOOK CLUB

The children who have been attending the after school book club have been really enjoying it. During the first week children chose a book to sit and read with friends, some also chose a book to check out for the week to read at home. There were also two activity tables where the children could use their imagination to create their own

Leggan Class were busy in their Design Technology lessons during the Spring Term. They designed, built and evaluated their own catapults. They used a variety of hand tools to measure, cut and join wood to create these replicas of Ancient Greek history.

BIKEABILITY

A big well done to the year 5 children who gained their level one Bikeability at the end of last term.

Can we take this opportunity to remind those children who ride cycles and scooters to school that they must wear a helmet.

TT ROCKSTARS—YEAR 4

A reminder to parents and carers of year 4 children to support them using TT Rockstars at home, as they have their multiplication check in June. Thank you.

PE INFORMATION
